PRESIDENT: Any further discussion now of the motion which is Senator Barnett's motion and that is to read LB 585? Senator Simpson.

SENATOR SIMPSON: Mr. President, it seemed to me that to be fiscally responsible we should also read 542 which is the claims bill against the State. I would amend his motion to add 542.

PRESIDENT: Senator Simpson, I wonder if you would like to restate the motion or ma--keep the motion separate. I'm wondering, it--if you create an inter-dependence here between these where there are fiscal impacts involved, it seems to me like that's jeopardizing the motions. Let's not do that. I think I would stay with the pure Barnett motion on 585 here and we'll discuss that and we'll come to the other one here if you don't mind. Alright, we're still having a discussion here, the Barnett motion which is relative to the reading of 585. Do you need to discuss the issue any more? Senator Barnett, do you have any closing then on your motion? Alright the question is then, shall the, shall LB 585 be read and the Chair would rule that that takes 25 votes in order to read the bill. All those in favor of reading 585 vote aye. All those opposed vote no. Clerk will record.

CLERK: 33 ayes, no nays, 16 not voting.

PRESIDENT: Alright, we'll read 585. Now, Senator Simpson, do you want to make your motion?

SENATOR SIMPSON: Mr. President, I would move that we also read 542 which is State claims bill and there are many claims in here which should be paid. They're legal obligations of the State and I think that we should get this on the way also.

PRESIDENT: You've heard Senator Simpson's motion. Is there a need for discussion of the motion? Question is shall we read LB 542? All those in favor of reading that bill vote aye. All those opposed vote no. Clerk will record.

CLERK: 32 ayes, no nays, Mr. President.

PRESIDENT: It is so ordered. We will read that bill also. First bill then would be LB 585. Attention please the final reading of LB 585.

CLERK: Reads bill.

LB 585

PRESIDENT: All provisions of law relative to procedure having been complied with the question is, shall the bill pass with the emergency clause attached? All those in favor vote aye. All those opposed vote no. Voting on the final passage of LB 585 with the emergency clause. Once again, have you all voted? Clerk will record.

CLERK: Vote read. 41 ayes, no nays, 8 not voting.

PRESIDENT: The bill is passed with the emer--
